Application form "internet connection in my apartment"

Personal information: Mrs./Ms. Mr.

Name: **Room No.:**

Telephone: **E-Mail:**

I want to use the **internet connection** via **LAN/WAN network** in my apartment in dormitory / student hall

Goeggingen Lechbruecke Univiertel Prinz-Karl-Viertel Bgm.-Ulrich-Str.

from the **date** on an want to **apply** the **activation** of the internet connection in my room from Studentenwerk Augsburg for my exclusive use, receiving my **own internet user contract**.

Acceptance of direct debit (SEPA direct debit mandate - according to SEPA mandate for payment of the rent):

With this application I will give a **direct debit authority** to Studentenwerk Augsburg to debit the **monthly charge** for using the internet connection in the amount of **€ 12.00** and the **onetime charge for activation** in the amount of **€ 15.00** from the **bank account** that was **indicated** to debit the **rent for the room**. (Charges and fees, that have been already **paid in advance** will **not** be debited a second time. For reasons of billing and accounting the indication of a **different** bank account is **not** possible, the debit of internet charges will always happen at maturity of the monthly rent for the room).

Gladly we will provide an individual installation manual how to activate the internet connection at your computer or WiFi router / modem, so please specify the data.

=> I will use the following kind of **computer or device**:

PC (Tower) Notebook/Laptop Netbook Tablet Apple Mac Smartphone

=> I will use the following **operating system**: Linux.....(e.g. Ubuntu) Mac OS-X _____

Win XP Windows Vista Windows 7 Windows 8 Windows 10 iPhone IOS Android

=> I will **also** use a **WiFi router / modem** (WiFi is **only available** with your **own WAN via Static IP** WiFi router):

Manufacturer of router/modem:..... Model name:.....

Privacy policy: The personal data that is necessary to establish or to change your internet user contract and the internet connection will be collected, processed and used by Studentenwerk Augsburg and IT Consulting Andreas Stadler.

I agree to be informed about maintenance, internet disconnections, current issues and events etc. by e-mail.

With my signature on this form I will acknowledge the current terms of usage as the basis of activation and usage of the internet connection. Basis of the provision of internet will be the current performance description and the current overview of prices.

Augsburg, den
